NICTA 2009

create

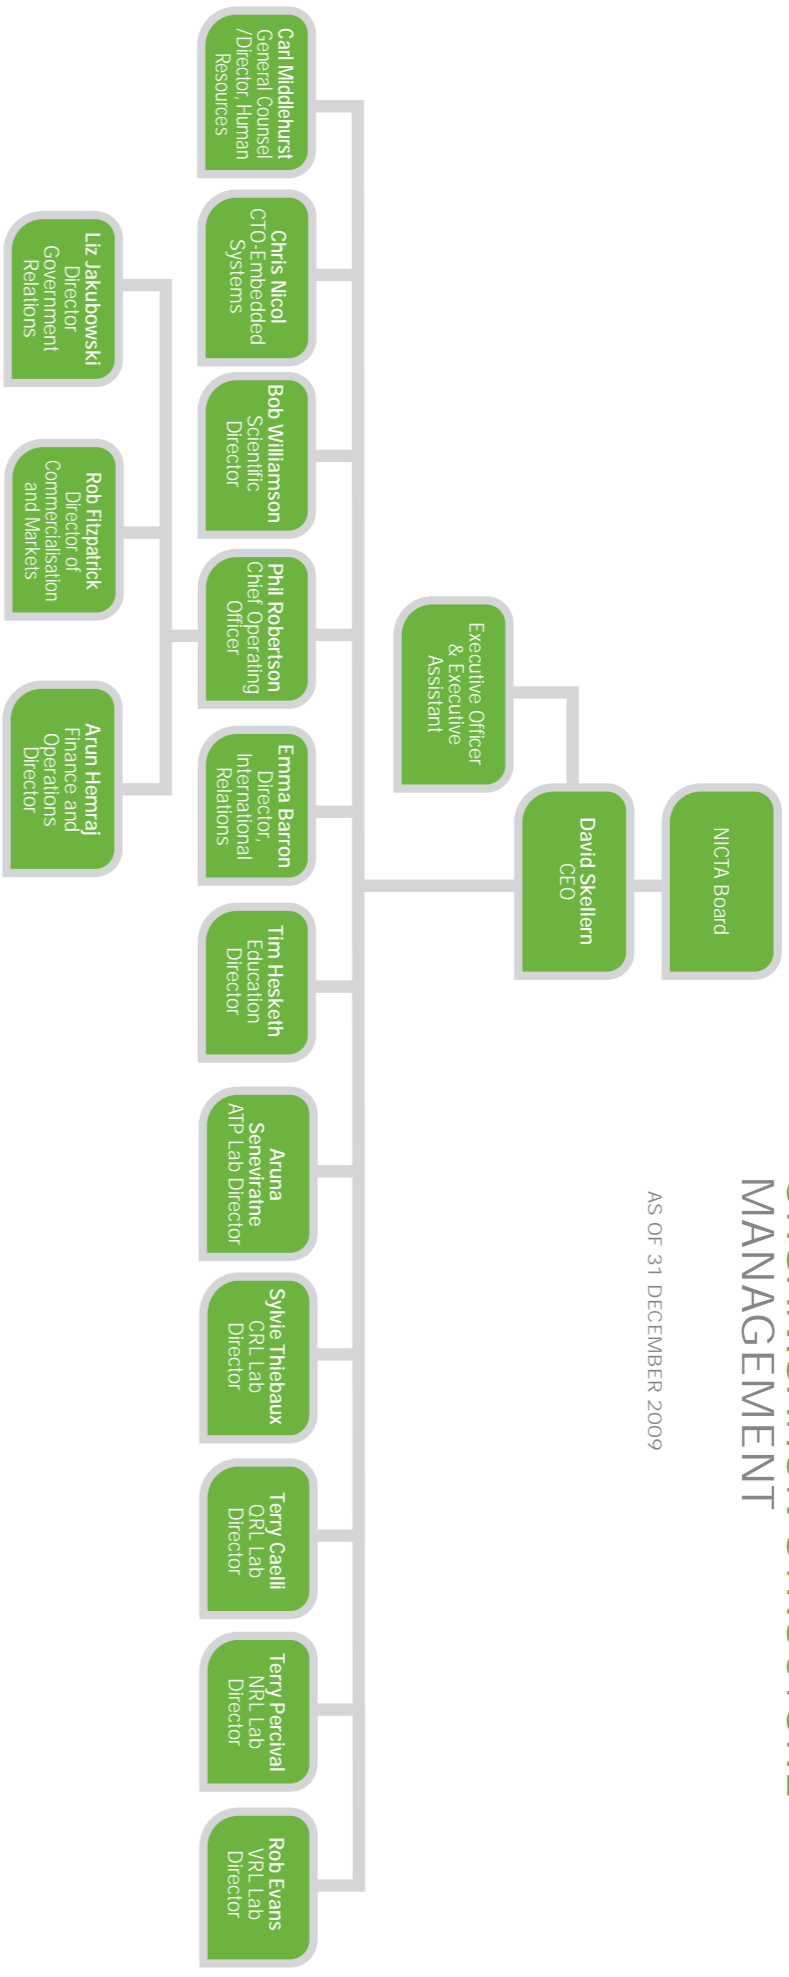

The Goanna Project team has developed a fast, accurate software tool that catches bugs and vulnerabilities automatically at software development time, saving money and keeping product launch timetables on track.

ORGANISATION STRUCTURE MANAGEMENT

AS OF 31 DECEMBER 2009

Funding

NICTA is funded by the Australian Government through the Department of Broadband, Communications and the Digital Economy and the Australian Research Council through the ICT Centre of Excellence program.

In addition to federal funding, NICTA is also funded and supported by the Australian Capital Territory, New South Wales, Queensland and Victorian Governments, The Australian National University, Griffith University, University of Melbourne, University of New South Wales, University of Queensland, Queensland University of Technology and The University of Sydney.
