

## Sensor Network Forum Presentation:

### Wireless Sensor Networks – Moving from Theory to Reality

Mike Horton, President & CEO, Crossbow Technology

Mike co-founded Crossbow Technology and served as President and CEO since inception. He has closed US\$13 M Capital, its lead investor and CISCO systems. Mike was named as one of the Top 100 Innovators in the MIT Technology Review and was named one of the Top 50 Movers & shakers in high technology by Electronic Business Magazine. Mike's presentation will discuss successful deployments of wireless sensor networks and review the lessons learned from these projects.
