

Agenda
 Smart Transport Infrastructure Technology Forum
 Wednesday 28 April 2010
 10-2pm (4pm)
 NICTA Head Office
 Level 4, 13 Garden St
 Australian Technology Park

9.30am	Registration, Tea and Coffee on arrival, and exhibition		
10:00am	Welcome and Introduction of Minister	Neville Stevens, <i>Chairman</i>	NICTA
	Minister's speech	The Hon. Ian McDonald <i>Minister for State and Regional Development, Minister for Forest and Mineral Resources, Minister for Major Events and Minister for the Central Coast</i>	NSW Government
	Setting the scene		
	Introduction and outline	Terry Percival <i>Research Laboratory Director, NRL</i>	NICTA
	Vision for a National ITS Strategy	Norm Pidgeon <i>President</i>	ITS Australia
	Smart Infrastructure and the Logistics Chain	Michael Kilgariff <i>CEO</i>	ALC
	Q&A		
11:15am	Technologies for Smart Infrastructure		
	Video detection and other sensing technologies applied to traffic management	Glenn Geers <i>System Engineering Manager</i>	NICTA
	Radio communications & infrastructure protection	Chris Skinner <i>Principal</i>	DISplay Pty Ltd
	The NBN and Smart Infrastructure	Terry Percival <i>Research Laboratory Director, NRL</i>	NICTA
	Video analysis and wireless communications for the port of Brisbane	Abbas Bigdeli <i>Researcher</i>	NICTA
	Q&A		
12:10pm	Case Studies		
	Maritime security	Bernard Kachoyan <i>Principal Research Scientist & Head of Maritime Capability Studies</i>	DSTO
	Optimising minerals transport infrastructure at the system level	Simon Dunstall <i>Leader, Adaptive Supply Networks</i>	CSIRO
	Autonomous vehicles and dedicated corridors	Michael Haines <i>Director</i>	Westgate Ports
	Monitoring health of structures using sensor networks	Aruna Seneviratne <i>Research Laboratory Director, ATP</i>	NICTA
	User experience and soft infrastructure for integrated Smart Transport	Dan Hill <i>Senior Consultant, Smart Cities</i>	Arup
1:00pm	Working lunch and brainstorming	All	
1:40pm	Report back on opportunities identified in brainstorming.	Dean Economou <i>Technology Strategist</i>	NICTA
1:55pm	Wrap up and next steps	Terry Percival <i>Research Laboratory Director, NRL</i>	NICTA
2-4pm	Optional working groups continue discussions. (Afternoon tea provided)
