Part D

Research Proposal

**Proposed Research
Title:**

**Proposed Research
Summary:**

(about 300 words)

NICTA Endorsement Application

Queensland Laboratory

Part E

Declaration and Signature (All applicants must sign and date the application or it will not be processed)

I certify that I have read and understood the questions on this form and that the answers are true and correct.

I understand that NICTA and the University may vary or cancel any decision made on the basis of incorrect or incomplete information provided by myself or my referees.

I authorise the University to release information to NICTA from my application for University admission.

I understand that if my application for NICTA enhancement is successful I will need to sign an agreement to study under the rules of the University at which I enrol and the scholarship conditions it has agreed with NICTA.

I understand that it is essential for me to enrol for PhD study at a NICTA partner University for my NICTA enhancement to take effect.

I understand that I must apply separately for an APA or IPRS award (as appropriate) at the earliest opportunity unless I have already done so.

Signature:

Date:

D	D	M	M	Y	Y	Y	Y
---	---	---	---	---	---	---	---

Documentation to accompany the form:

Please attach copies of transcripts of academic record and evidence of completion of all qualifications. Do not send original documents. Do not delay submitting an application if you are waiting for results of current study. Forward the result or transcript as soon as it becomes available.

Acknowledgement of Application

All applications will be acknowledged by email if possible. You do not need to contact NICTA to confirm receipt. Any change of address must be notified in writing to NICTA.

CHECKLIST: Have you (tick all relevant boxes)

- Completed all relevant sections of the form;
- Signed and dated the form;
- Attached all academic transcripts including English translations;
- Attached GRE:VQA Scores (highly recommended);
- Attached English language test results if relevant;
