

Meet the Founder Series

Sharing Entrepreneurial Experiences with the Canberra Community

Mr Adrian Tatham

“Mobile Applications for Everyone”

Alacrity’s Founder and CEO, Adrian Tatham, has been specialising in interactive communications for the past seven years and has decades of experience in the public and private sectors.

In 1999, Adrian’s dedication to addressing the need for real-time interactive business communication led him to create Alacrity technologies to develop the core technologies that today underpin the innovative CLEW communications platform. Alacrity - a local Canberra based company is selling its technologies locally and internationally. Please come to hear the Alacrity story.
